***helen thomson s unthinkable an
extraordinary journey***

*November 11th, 2019 - in the
process as described in unthinkable
an extraordinary journey through
the world s strangest brains ecco
harper collins 2018 thomas
discovered that by putting their
lives side by side i was able to
create a picture of how the brain
functions in us all through their
stories i uncovered the mysterious
manner in which the brain can
shape our lives in unexpected and
some cases brilliant and alarming*
