the vikings a history by robert ferguson

June 1st, 2020 - this book is a brilliantly detailed well researched a laid out walk through from the earliest stages of the viking era through to its demise not just at 1066 but in all the countries the vikings made land fall and settled england ireland scotland wales iceland hebrides shetland greenland north america istanbul and the mediterranean russia etc and of course their home nations of scandinavia'

'jomsvikings

June 5th, 2020 - the jomsvikings were an order of viking mercenaries or brigands of the 10th century and 11th century they were staunchly pagan and dedicated to the worship

of such deities as odin and thor they reputedly would fight for any lord able to pay their substantial fees and occasionally fought alongside christian rulers although they were pagan the institutions of the jomsvikings in some ways'

9780143118015**

May 29th, 2020 - good book but a very deep
and laborious read to get through and
understand all of the information written
first time around but nonetheless very
detailed on the history of the vikings and
the author has gone to great lengths of
research judging by the amount of detail on
offer and with that in mind would remend this
book to anyone looking for good solid

information about these magnanimous people and their culture'
