'henry harpending southern poverty law center  
June 4th, 2020 - harpending is most famous for his  
book co authored with frequent collaborator gregory  
cochran the 10 000 year explosion how civilization  
accelerated human evolution which argues that  
humans are evolving at an accelerating rate and  
that this began when the ancestors of modern  
europeans and asians left africa harpending  
believes that this accelerated evolution is most  
visible in differences between racial groups which  
he claims are growing more distinct and different  
from one another'
