June 8th, 2015 - Simon Fischer The Strad
September 2006 Some musicians look at scales as warm up material This is a misjudgement You should be properly warmed up even before starting to play them in order to execute the stretched positions and double stops with a balanced left hand and to play string crossings with a bow that can respond to every type of'

' Scales Scales and Scale Studies for the Violin by Simon

June 30th, 2018 - Scales Scales and Scale Studies for the Violin by Simon Fischer A scale book of unprecedented scope Simon Fischer has developed an entirely new method in which using traditional ways of practicing scales as a departure he focuses on numerous often

neglected aspects of the violinist's technique
For every element he has designed exercises'

the Americas**

July 14th, 2018 - I've ordered Simon Fischer's Scales book and received it recently Reading his first few pages changed my mind completely He introduces scales as a mean of understanding Perfect 4th 5th Negotiating the 3rds 6ths with agreement of 2nd 7th I love that approach? It makes sense It involves the player to participate instead being''**simon fischer
