Roman Republic

March 30th, 2018 - This book offers a  
prehensive assessment of the intersection  
between Roman politics culture and divination  
in the late Republic It discusses how the  
practice of divination changed at a time of  
great political and social change and explores  
the evidence for a critical reflection and  
debate on the limits of divination and  
prediction in the second and first centuries  
BC'
