**moon lore myths and folklore from  
around the world by**

May 19th, 2020 - the stories are  
typically around a page long and  
deeply stripped of the detail that  
makes the myths and legends such  
wonderful tales to share either they  
could have been altered slightly so to  
be read to children or they could have  
been better feathered to give more  
meat for an adult to digest''**the moon
