**resonance academy virtual classroom marshall lefferts on the field and the vacuum  
March 29th, 2020 - resonance academy faculty marshall lefferts on the distinction between  
the field and the vacuum during a resonance academy virtual classroom event marshall  
lefferts has a book called'  
'the answer to earth thriving copy the holofractal universe  
June 1st, 2020 - the answers and detailed explanation are in marshall leffert's new book  
cosmometry exploring the holofractal nature of the cosmos as he reveals a new  
understanding of the pure stillness of the unified energy field from which everything  
emerges as whole and what's most helpful he relates this geometry and energy**
