May 29th, 2020 - royal worcester was established in 1751
and is believed to be the oldest or second oldest
remaining english porcelain brand still in existence
today this is disputed by royal crown derby which claims
1750 as its year of establishment part of the
portmeirion group since 2009 royal worcester remains in
the luxury tableware and tware market although
production in worcester itself has ended'

'the project gutenber ebook of glass
February 27th, 2020 - the knowledge of porcelain was
confined for nearly a thousand years to china the
country where it was first made and where it was slowly
brought to perfection let loose as it were in the west
early in the eighteenth century it had then a short
period of glory but before the end of the century the
art had already fallen upon evil days'
